Teaser	If you wish to act as an expert or surveyor for long-term storage facilities in accordance with the Landfill Ordinance, you must be designated as such by the competent authority.
Volltext	Operators of long-term storage facilities must meet certain requirements during decommissioning to ensure that the facility does not pose a danger to the general public or the environment. Experts regularly monitor compliance. If you want to carry out the inspection, you must apply to the competent authority to designate you as an expert. The designation applies to the entire federal territory.
Erforderliche Unterlagen	• Evidence and information on the required expertise, independence, reliability and technical equipment. • After further inquiries by the competent authority, additional documents may have to be submitted. • Copy of the certificate as an expert. If there is no recognition, the opinion of an expert panel set up at a chamber of commerce or a chamber of industry and commerce for assessing the expert knowledge of an expert must be obtained for the technical assessment of the expert knowledge. • Certificate of good conduct (document type OG, not older than 3 months) • Information from the central business register (document type 9, not older than 3 months)
