Volltext	If you have successfully completed school or in-company training in Germany, you can be granted a residence permit to look for a job. The residence permit will be issued to you for a limited period of time directly following your previous training. An extension is possible if the maximum period of 12 months was not used up when the permit was first issued. If you do not find a job during this period, an extension is also excluded. You are then obliged to leave the Federal territory. This residence permit allows unrestricted gainful employment.
