Teaser	If you have the job title medical-technical radiology assistant you need a permit. You can find out more here.
Volltext	The job title "Medical-technical radiology assistant" is regulated in Germany. This means that in order to work in Germany as a medical-technical radiology assistant in Germany, you need a state permit. With this permit, you can use the job title and work in the profession. You must apply for it. As with all medical-technical professions, the professional license is issued after you have passed a state examination, provided you have the necessary health and personal aptitude (reliability). Areas of activity include Hospitals, medical practices
Erforderliche Unterlagen	
Voraussetzungen	The license is granted if you • have passed the state examination as a medical-technical radiology assistant following training, • have not been guilty of any conduct that makes you unreliable to practise the profession, • are medically fit to practise the profession, • have the knowledge of the German language

Modul	Sachverhalt
	required for practicing the profession.
Kosten	Is based on the respective administrative fee schedule of the federal state or on the fee statutes of the authorities responsible under federal state law.
Verfahrensablauf	You must apply for a permit from the competent authority in advance. Once you have submitted the application and all documents are complete, the competent authority will check whether you meet all the requirements. If you meet all the requirements, you will receive the permit. You may only start working once you have received the permit.
Bearbeitungsdauer	not defined. Several weeks on average.
Frist
