Kosten

Free of charge

Verfahrensablauf

You must register for the state examination as a child and adolescent psychotherapist. To do so, use the form prescribed by the state authority responsible for you. Submit your application with the required documents to the state examination office responsible for you.

Bearbeitungsdauer

However, the candidate should be notified in writing of the admission and the invitation to the examination dates at least two weeks before the start of the examination.

Modul

Sachverhalt

Frist

Following the reform of psychotherapeutic training, training as a child and adolescent psychotherapist can only be completed by September 1, 2032, provided that a course of study qualifying for participation in postgraduate training was started or completed before September 1, 2020. After September 1, 2032, only a license according to the Psychotherapists Act of November 15, 2019 can be obtained. The legal basis does not provide for an explicit application deadline. The competent authorities usually set an application deadline of June 10 for examinations in the fall and January 10 for examinations in the spring. For further information, please contact the relevant state authority.

weiterführende Informationen

Hinweise

There is no standardized nationwide online service for admission to the state examination. Online services may have been set up by the relevant state authorities.

Further information can be found on the websites of the relevant state authorities.

Rechtsbehelf

Appeal (depending on state law, an objection may be excluded), administrative court action

Kurztext

- Admission to the state examination for child and adolescent psychotherapists
- Training in the field of child and adolescent psychotherapy concludes with a state examination.
- The examination is part of the training to become a child and adolescent psychotherapist and comprises a written and an oral part.
- Admission to the examination is by application.
- Proof of passing the examination is a prerequisite for licensure as a child and adolescent psychotherapist.
- Responsible: The competent authority is the authority of the federal state in which the candidate is taking part in training at the time of application for admission to the state examination. Responsibility within the competent federal state is determined by the regulations of that state.
