Sachverhalt

other contracting state or the state treated as such in which the person providing the service is established

- Certification that the person providing the service is not prohibited, even temporarily, from exercising this activity and that the person providing the service has no criminal record

As a pharmacist:

- Certificate stating that, at the time of submission, the person providing the service is legally established in another Member State, in another contracting state or in a state treated as such
- if applicable, information on existing insurance cover under a professional liability insurance policy and, if necessary, appropriate evidence

Voraussetzungen

The following requirements must be met:

- You are a national of a Member State of the European Union or of another state party to the Agreement on the European Economic Area or of a state party to the Agreement to which Germany and the European Community or Germany and the European Union have granted a corresponding legal entitlement by treaty
- You are authorized to practice the profession in another Member State, another contracting state or a state treated as such and are legally established in this Member State, another contracting state or a state treated as such
- The profession is only exercised temporarily and occasionally, i.e. not on a permanent basis.

Kosten

Is based on the administrative fee schedule of the respective federal state or on the fee statutes of the authority responsible under state law.

Verfahrensablauf

- You notify the competent authority of the continuation of the cross-border provision of the service
- Once you have submitted the application and all documents are complete, the competent authority will
