Sachverhalt

- the need is determined according to the marital living conditions,
- the claimant is needy (the income and payment obligations of the person claiming maintenance as well as the obligation to his or her own gainful employment are decisive here).
- the respondent is capable of paying.
- For details, please contact a lawyer.

Kosten

- Legal fees
- both depend on the amount in dispute

Verfahrensablauf

An application to enforce separation maintenance can only be filed by a lawyer.

- The further course of the court proceedings is essentially governed by the provisions on civil proceedings.
- The court sends the application to the defendant. The defendant is given the opportunity to comment.
- The family court then sets an amount for maintenance.
- The court may order the parties to provide information about their income, assets, and personal and economic circumstances. If you and your former (spouse) partner do not comply with this order, the court can independently obtain information, e.g. from employers or insurance companies.

Bearbeitungsdauer

• At least 3 months due to the prescribed procedure, in more complex procedures possibly longer, depending on the individual case

Frist

You must assert your claim in good time during your separation phase. You are only entitled to retroactive maintenance under certain conditions.
