Teaser	If you wish to install a gaming machine, you will need a certificate from a chamber of industry and commerce confirming that you have received instruction on player and youth protection for machine operators.
Volltext	<p>You need a permit to set up gaming machines. "Setting up" means that you operate a machine and earn money with it, for example in your restaurant. To obtain a permit, you must, among other things, prove that you have attended a training course at the Chamber of Industry and Commerce.</p> <p>The training comprises at least six teaching units of 45 minutes each. The Chamber of Industry and Commerce will issue a certificate if you have attended the course without any absences. The training covers the following subjects:</p> <ul style="list-style-type: none"> <li>• Trade regulations and gaming regulations</li> <li>• Gaming arcade law of the federal states</li> <li>• Youth protection law</li> </ul> <p>In addition to traders, employees are also required to attend. Office staff and employees with other duties do not require IHK training on the protection of players and minors.</p> <p>The training is given in German, so you must have a good knowledge of German.</p>
