managerial position entered in the register of intermediaries.

The content of the license may be restricted and subject to ancillary provisions if this is necessary to protect the general public or borrowers or if you apply for it.

Permission to act as a real estate loan broker may be granted to natural and legal persons. The license is personal, i.e. you cannot transfer a license in your name to another person, nor can another person transfer a license in their name to you.

Credit institutions for which a license has been granted in accordance with Section 32 (1) of the German Banking Act and branches of companies within the meaning of Section 53b (1) sentence 1 of the German Banking Act do not require a license.
