Volltext	If you want to organize a prostitution event for an open group of participants, you need a permit. This includes events where at least one of the people present offers sexual services in return for payment. This is the case, for example, when making pornographic films in public. You can apply for a one-off permit or a permit for several similar events. The competent authority may attach certain conditions or requirements to the permit. If you wish to operate your prostitution business through a proxy, you will also require a proxy permit. Please note that other permits may be required in addition to the permit for the prostitution business or may be subject to registration. This applies in particular to the following legal areas: • Restaurant law • trade law • building law • water law • Immission control law
