| Teaser                        | Exceeding of action values for the concentration of legionella in service water must be reported to the responsible authority!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Volltext                      | As the operator of an evaporative cooling system, a cooling tower or a wet separator, you are obliged to inform the competent authority without delay in accordance with Annex 3 Part 1 of the 42nd BImSchV and within a period of 4 weeks in accordance with Annex 3 Part 2 of the 42nd BImSchV if a laboratory test reveals that the action values specified in Annex 1 of the 42nd BImSchV for the concentration of legionella in service water have been exceeded. The competent authority receives the information and checks the measures initiated by you. If necessary, the authority will also contact you. |
