Hinweise

Express passport and temporary passport: Is the regular processing time of 2 to 6 weeks too long for your travel plans? Then your passport office can issue your passport using the express procedure, provided it has the necessary technical equipment. You will receive passports produced using the express procedure within 3 to 4 working days. You will only be issued with a temporary passport if you are unable to receive your passport in time using the express procedure. You will receive this immediately when you apply, so you do not have to wait for it.

Fingerprints: If an index finger is missing, the quality of the fingerprint is insufficient or the fingertip is injured, the flat print of either the thumb, middle finger or ring finger will be taken instead. Fingerprints are only not taken if they cannot be taken for permanent medical reasons.

Old passport: You may keep an old passport that has
