Teaser	If you need weapons or ammunition as a customary shooter for customary purposes, you must apply for a permit for this purpose.
Volltext	If you, as a traditional shooter, require weapons and ammunition to maintain your traditions, a need for their acquisition and possession is recognised. The permit is limited to single-shot long guns and up to three bolt-action long guns as well as the ammunition intended for them. As proof, you need a certificate from the traditional shooting association that you need these weapons to maintain the tradition. An indication of customs is a long-standing tradition and practice. In this context, the use of weapons may only be a necessary component of the cultivation of customs and not the predominant purpose.
