Teaser	If you would like to register a company that is allowed to issue other certificates, you will need authorization. You can find out more here.
Volltext	D i he competent authority keeps a register of companies that are authorized to issue attestations in accordance with Art. 99 of Regulation (EU) 2016/2031 (Plant Health Regulation). Companies may be included in this register upon application. This application must contain the requirements specified in Art. 66 of Regulation (EU) 2016/2031.
Erforderliche Unterlagen	• Contact details: Name, address in the Member State of registration and contact details of the trader. • Declaration by the entrepreneur stating his intention to carry out one or more activities pursuant to Art. 65 (1) of Regulation (EU) 2016/2031. • Site plan: This is required for all companies that have other buildings / areas in addition to their office that are relevant to phytosanitary activities (e.g. nursery quarters, greenhouses). • Information on other business premises: Information is required for all companies that have other operating sites (with their own address) in addition to their head office. Pure production areas (e.g. nursery quarters) are not counted as business premises, but must be indicated on the site plan. • Information on types of goods, families, genera and species of plants, plant products and other objects that are the subject of the authorization pursuant to Art. 99 of Regulation (EU) 2016/2031.
