Verfahrensablauf	<p>You should file your business or self-employment tax return online if possible.</p> <p>Carry out tax registration online:</p> <ul style="list-style-type: none"> • Log on to the website "ELSTER- Ihr Online-Finanzamt" of the German tax administration with your ELSTER user account. Note: If you do not already have an ELSTER user account, you must first create one. Registration involves several steps and can take up to two weeks. You will also need the ELSTER user account to submit your tax return electronically. • Then select the option "All forms" under the tab "Forms & Services". Then click on the tax registration questionnaire relevant to your trade or self-employed activity. • Complete the online form in full and upload any required documentation. Submit the questionnaire. • The tax office will check your details and you may need to submit additional documents. • You will then be notified of your tax number in writing.

Modul
Sachverhalt

Note: There is currently no online procedure available for associations and corporations under foreign law.

Submit your tax registration in writing:

- Download the relevant tax registration questionnaire from the Federal Tax Administration website.
- Complete the questionnaire in full. Use the questionnaire to check whether the tax office requires any further documents from you.
- Send the questionnaire and any documents to your tax office. The tax office will check your information and you may have to submit additional documents.
- You will then receive a notice about your tax registration.

Bearbeitungsdauer

The processing time varies depending on the tax office responsible.

Frist

- Tax registration: Usually within one month after you start the business. Note: In some cases there are other deadlines, for example when setting up abroad.
