Teaser	If you want to drive your vehicle with trailer over 750 kilograms, you need an extension of class B by the key number 96. If you want to drive light motorcycles up to 125 cm³ without a motorcycle license, you need an extension by the key number 196.
Volltext	You can extend your class B driver's license under certain conditions. With the code number B96, you may drive class B motor vehicles with a trailer with a permissible total mass of more than 750 kilograms. The permissible total mass may exceed 3,500 kilograms, but may not exceed 4,250 kilograms. Key number B196 allows you to drive motorcycles (including those with sidecars) with a maximum engine capacity of 125 cm³. The engine power must not exceed 11 kW. The ratio of power to weight must not exceed 0.1 kW/kg. To drive the key numbers you must complete the driver training, which is specified in the Driving License Ordinance (FeV).
Erforderliche Unterlagen	• Valid identity card or passport (with current certificate of registration, if applicable) • application for registration of a key number • a biometric photo in accordance with the passport regulations (size 45x35 mm) • Proof of training in first aid (if not already proven to the driving license authority) • certificate of participation in the respective driver training course • valid driver's license • if necessary, a copy of the card from the last issuing authority (if different)

Hinweise

Key number B96 represents an allocation that is valid throughout the European Union (EU).
 The key number 196 is a national key number. The resulting authorization is therefore only valid in Germany.
 With the registration of the key number B196, no driving license of class A1 is acquired. For this reason, it cannot be used to upgrade to class A2, for example.
