Teaser	If you want to digitise historically important or valuable German films, you can apply for funding under certain conditions.
Volltext	The Federal Government Commissioner for Culture and the Media (BKM), the federal states and the Federal Film Board (FFA) promote the preservation of national film heritage. As a rule, you can receive funding of up to EUR 40,000 for the following measures: • Digitisation of short or long films of special film-historical importance or documentary value or artistic value. Your digitisation needs must fit into one of the following categories: • Evaluation interest: You pursue a commercial interest, for example, via Cinema exploitation, festival exploitation, DVD, Blu-ray, Video on Demand or

Modul

Sachverhalt

television. curatorial interest: You are planning digitisation from a film history perspective, for example for a film museum. conservation interest: You are planning digitisation because the analogue film material is endangered.

Eligible costs are:

- Costs of digitization and restoration: project-related personnel expenses, project-related material costs for digitisation and restoration project-related other costs: travel expenses transports loan fees project-related handling costs up to 7.5 percent

The grant is paid on demand:

- 80 percent for eligible expenses you must incur within 6 weeks.
- In addition, according to evaluation interest, 20 percent of the funding is only paid out after Presentation of proof of use, confirmation of storage from the Federal Archives and Confirmation of the documentation of the submitted documents at the film portal.

In order to receive the grant, you must prove what you spent the money on. You must keep all invoices and receipts related to eligible costs.

You are not eligible to receive the grant.

You submit your application online to the German Federal Film Board (FFA).

Erforderliche Unterlagen

When applying, you must submit:

- Project description (statement of significance for film heritage).
- Proof of German film (BAFA proof or similar)
- Proof of rights or consent of the person who owns the rights
- Cost breakdown or cost estimate
- current excerpt from the commercial or association register
- Proof of own funds (bank confirmation or bank

statement)

- in the case of an exploitation or curatorial interest:

Evaluation concept

- in the case of conservation interest: technical appraisal of the danger to the material
- if applicable: proof of participation in festivals, nominations and prizes Proof of external funding

For the disbursement of the first instalments you have to submit:

- Request for funds

For disbursement of the final installment, you must submit:

- numerical proof
- Confirmation of storage from the Federal Archive
- Confirmation of the documentation of the submitted documents at the film portal
- factual report
