Voraussetzungen

You can receive funding for a youth hostel from the Federal Employment Agency if you want to build, convert or modernize a hostel for trainees undergoing in-company vocational training. The following requirements apply:

- You must operate the youth hostel yourself.
- You may only operate the facility on a cost-covering basis.
- Commercial operation aimed at making a profit is not permitted.
- They accept trainees of any branch and everyone on an equal basis.
- They give trainees a 10 percent discount in the dormitory if they receive vocational training subsidies.
- You are eligible for a subsidy if you, as the sponsor of the residence, are a legal entity or a voluntary welfare association or a non-profit association.
- Your total costs comprise at least EUR 100,000.
- You must not have started the construction or conversion work yet, unless the employment agency has allowed an exception in your case.
- There is a long-term need for your youth hostel places for trainees.
- You contribute an appropriate share of your own funds.
- Your overall financing is secured.
- If you want to offer new equipment, this must be related to a construction measure in order to be eligible for funding.
