Teaser	If you dispense narcotics, you must report this electronically to the Federal Institute for Drugs and Medical Devices (BfArM). To create electronic dispensing slips via the form server slip procedure, you must apply for access data from the BfArM.
Volltext	If you dispense narcotics, you must create an electronic dispensing slip. You can then send your dispensing notification to the Federal Institute for Drugs and Medical Devices (BfArM) electronically. If you dispense narcotics in small quantities, you can create the dispensing receipt using the electronic form server receipt procedure. The dispensing notification is then sent electronically to the BfArM. This applies to you, for example, if you dispense narcotics as one of the following establishments: • Pharmacy (returns) • scientific institution or • trading or manufacturing company with low narcotics traffic. You must apply once in advance to the BfArM for the access data for the form server receipt procedure. If you dispense large quantities of narcotics, you can transmit the dispensing receipt to the Federal Opium Agency via an FTP server as part of the electronic receipt procedure (e-receipt procedure). This applies to you, for example, if you dispense narcotics as one of the following establishments • pharmaceutical wholesale company or as a
