Volltext	Before blasting with explosive substances, the holder of the permit according to § 7 of the Explosives Act must notify the competent authority of the blast (e.g. in the case of a building explosion or in the case of blasting in the course of road construction measures). Note: Blasting in facilities that are approved in accordance with § 4 of the Federal Immission Control Act (e.g. in quarries) is exempt from the notification obligation. However, this only applies to blasting, which is included in the permit.
