An exemption permit for entry in the register of craftsmen in accordance with § 8 HwO can be granted if there is a reason for exception and your master-like knowledge and skills in the requested craft as well as in the commercial and legal area are proven.

With an exemption permit, you meet the requirements for entry in the register of craftsmen for a craft subject to licensing. However, an exemption does not entitle you to use the master craftsman title and to train in the relevant trade.

An exemption may be limited to a partial activity of a craft.

****Tip:**** The crafts subject to approval are listed in Annex A to the Crafts Code.
