### Hinweise

**\*\*Other\*\***

As a panel doctor, you must hold your consultation hours at the registered office. Further details are regulated by the Bundesmantelvertrag-Ärzte and the Arztersatzkassenvertrag.

If it improves the care of insured persons in other places, you can carry out contract medical activities there in the sense of a branch practice. You need the prior approval of the Association of Statutory Health Insurance Physicians. The provision of care to insured persons at the registered office of a panel doctor may be affected only slightly by the operation of a branch practice.

If you wish to transfer your registered office, you must apply to the Admissions Committee. The latter may only approve the transfer if this is not precluded by reasons of the contractual medical care. For example, a transfer is always excluded if there is an undersupply
