|                              | After completing the training, you must take a theoretical and practical examination before the aviation authority (at the respective regional council).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Bearbeitungsdauer            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Frist                        | For the acquisition of the private pilot license, you should plan a period of 3 months to 2 years. The practical examination must be accepted no later than 24 months after passing the theory test. The license is valid indefinitely. However, the class ratings entered in the licence (e.g. single-engine piston-powered landplanes - SEP) are valid for 24 months, otherwise 12 months. In order to renew your class eligibility for single-engine aircraft or to demonstrate ongoing LAPL(A) flying experience within 24 months, you must: <ul style="list-style-type: none"> <li>• complete a competency test in the corresponding class in accordance with Annex 9 to Regulation (EU) No 1178/2011 and/or</li> <li>• complete a refresher flight of at least one hour duration with an authorised teacher.</li> </ul> |
