Teaser	
Volltext	Food and feed business operators are obliged to report test results from self-checks on dioxins and PCBs. This is intended to detect possible problems earlier. Hint: The reporting obligations are regulated in the following laws and ordinances: • Food, Consumer Goods and Feed Code (LFGB) • Ordinance on Notification and Transmission Obligations for Substances Not Desirable for Health (MitÜbermitV) Tip: The European Commission provides you with an overview of the priority obligations of entrepreneurs. In the portal of the Federal Office of Consumer Protection and Food Safety you can find out more about dioxins and other persistent organic

	compounds. Based on company reports, it prepares quarterly reports on investigation activities and publishes them on its portal. https://ec.europa.eu/food/horizontal-topics/general-food-law/food-law-general-requirements_en https://www.bvl.bund.de/DE/01_Lebensmittel/02_UnerwuenschteStoffeOrganismen/05_Dioxine/lm_dioxineUndAndere_node.html https://ec.europa.eu/food/horizontal-topics/general-food-law/food-law-general-requirements_en https://www.bvl.bund.de/DE/01_Lebensmittel/02_UnerwuenschteStoffeOrganismen/05_Dioxine/lm_dioxineUndAndere_node.html
Erforderliche Unterlagen	Completed forms; see sample in the portal of the Federal Office of Consumer Protection and Food Safety https://www.bvl.bund.de/DE/01_Lebensmittel/02_UnerwuenschteStoffeOrganismen/05_Dioxine/lm_dioxineUndAndere_node.html https://www.bvl.bund.de/DE/01_Lebensmittel/02_UnerwuenschteStoffeOrganismen/05_Dioxine/lm_dioxineUndAndere_node.html
Voraussetzungen	
Kosten	None
Verfahrensablauf	You must transmit the results of the examination available to you electronically to the competent authority. This provides you with uniform electronic templates (digital files) for this purpose. Written transmission is only permitted if the competent authority has authorised this at your request. Among other things, you must provide the following data: • Name of the company • Sample number • product examined • Sampling location • analysed substance You can download the sample file together with

Sachverhalt

instructions for completion from the website of the Federal Office of Consumer Protection and Food Safety BVL.

The competent authority anonymises the data and transmits it to the Federal Office of Consumer Protection and Food Safety (BVL). The BVL records these results in a common data pool, evaluates them and publishes them quarterly on its website.

Bearbeitungsdauer

Frist

They must be notified within 14 days of the final outcome of the investigation. Attention: If the maximum level laid down by law for the food or feed concerned has been exceeded, the notification must be made immediately. If you believe that your food or feed is unsafe, you must immediately inform the competent authorities of any measures taken.
