Teaser	With a public appointment as a sampler you are available to courts, authorities, the economy and the general public as a particularly reliable, credible and experienced person.
Volltext	<p>As a sampler, you test the quality, quantity, weight or correct packaging of goods in production and in the movement of goods. If you can demonstrate special expertise, personal suitability and the necessary independence, you can be publicly appointed and sworn in.</p> <p>You thereby subject yourself to additional professional and objectivity obligations.</p> <p>The purpose of the public appointment is to provide courts, authorities and the public with particularly competent and personally suitable experts whose statements are particularly credible.</p> <p>The public appointment is a special seal of quality under public law for Experts in Germany. There is no higher qualification in the field of expert activities.</p> <p>Administrations and courts should preferentially commission these experts. However, they are also available to the economy and private clients.</p> <p>In addition to all chambers of industry and commerce, other professional chambers such as chambers of engineers, architects or chambers of agriculture and other state bodies are also authorised to publicly appoint experts in some federal states.</p>

Sachverhalt

- The application form must be completed in full, signed and submitted with all the required attachments.
- You must apply for the certificate of good conduct for submission to an authority in accordance with § 30 Para. 5 BZRG at your registration office.
- The Chamber will request advance payments on fees and expenses.
- The IHK will check the documents you have submitted for completeness and compliance with the minimum formal requirements.
- In a personal interview, your personal suitability will be assessed after evaluating the submitted references. If necessary, other committees or boards will be involved.
- The Chamber commissions independent experts to evaluate your expertise. For this purpose, the expert opinions and work samples to be submitted by you will be reviewed. In addition, depending on the subject area, a written examination and a technical discussion or a practical examination are carried out.
- Taking into account the professional assessment, the IHK then makes the final decision.

Bearbeitungsdauer

The necessary examinations are extensive and can take between approximately six and twelve months, depending on the area of appointment.

Frist

- A public appointment and swearing-in is made for a limited period of time in accordance with the Expert Regulations, for a maximum of five years.
- On application, an appointment may be renewed if the applicant can again prove his personal suitability and special expertise.
