Teaser	If you want to collect or transport waste or trade waste, you must declare the activity to the competent authority.
Volltext	As a collector, transporter, dealer and broker of non-hazardous waste, you report this activity to the competent authority. If you carry out this activity with hazardous waste, you usually have to apply for a permit. If you are exempt from the permission requirement, you must attach additional documents to your ad. If you have already reported your activity and your details have changed significantly, you must file the notification again. The notification obligation applies to both national and cross-border shipments of waste. There is also an obligation to notify companies that only handle waste as an ancillary service (e.g. craftsmen and service companies).
Erforderliche Unterlagen	• Your waste management number(s) as a collector, transporter, broker or dealer of waste (if you have already been issued) • The transaction number of your first notification (only if you want to create a change notification) • Your business registration (if there is an obligation to register a business) • an extract from the commercial, association or cooperative register (if an application has been made) • If you are exempt from the permit requirement for the handling of hazardous waste: Your certificate of
