Kosten	None.
Verfahrensablauf	Hochschulstart is carried out by the DoSV on behalf of the universities. If a university with one or more desired courses of study participates in the procedure, you must register at Hochschulstart, submit online applications via the portal and put them in a desired order. The applications will be forwarded to the universities, you may have to submit further documents to the universities. The universities rank the applicants. Depending on where you are on the ranking, you will receive an offer of admission that you can accept. If you do not want to accept the offer yet, you can wait and see whether you will receive an offer for your other applications. Subordinated offers are automatically excluded from the procedure. At the end of the procedure, you will receive a study place for the best possible offer up to that point.
