Teaser	If you are the owner of a plot of land, you can merge two parcels of land that are listed in the land register under the same serial number and have a common boundary into one parcel of land
Volltext	A merger is a cadastral process in which two or more parcels of land that are recorded as one property in the land register are combined into one parcel in the real estate cadastre. The new parcel is given a new parcel number. The land registry office must be notified of a corresponding update of the real estate cadastre, as this is important for the inventory details in the land register. The prerequisites for a merger are Several parcels that are listed in the land register under the same serial number and have a common boundary can be merged into one parcel.
Erforderliche Unterlagen	In the case of power of attorney: • Presentation of the corresponding power of attorney
Voraussetzungen	Several parcels that are listed in the land register under the same serial number and have a common boundary can be merged into one parcel. If the parcels are not listed under the same serial number in the land register, a merger must be applied for in the land register beforehand.

Modul	Sachverhalt
