Teaser	As a nursing, obstetrics or physiotherapy facility, would you like to give your employees access to the telematics infrastructure (TI)? Then you can apply for an electronic institution card (SMC-B) under certain conditions.
Volltext	The SMC-B (Security Module Card Type B) is an electronic institution card and electronic institution ID card in one. It enables people working in the healthcare professions in an institution to access the telematics infrastructure (TI). The TI networks all those involved in the healthcare system and will enable access to the electronic patient file (ePA) in the future, for example.

There are different SMC-Bs for different professional groups. There is an SMC-B for

• medical practices
• Nursing, obstetrics and physiotherapy facilities
• pharmacies

You can use this online service to apply for an SMC-B for institutions with employees that are not organized in chambers. These are

• Healthcare, nursing and geriatric care facilities |
