Teaser	Have you completed further training as a specialist dentist abroad? Then you can apply for recognition as a specialist dentist in Germany under certain conditions.
Volltext	<p>The profession of specialist dentist is regulated in Germany. This means that you need a permit if you want to use the title "specialist dentist" for your specialization in the selected federal state.</p> <p>With your training as a specialist dentist, you have acquired a medical specialisation in addition to your qualification as a dentist abroad. To work as a dentist in Germany, you first need a license to practice medicine or a professional license. In order to be able to work as a specialist dentist in Germany, you must also apply for recognition of your further training as a specialist dentist. This allows you to use the title "specialist dentist" in your respective specialization.</p> <p>Note: You may only use the designation for your specialization if there is a corresponding continuing education title in Germany.</p> <p>The permission is granted by the competent State Chamber of Dentists after checking your documents and requirements.</p>

## Modul

## Sachverhalt

- Written declaration as to whether you have already submitted an application for recognition to another medical association

If your documents are not available in German, you must submit German translations of your documents. The translations must be made by translators who are publicly appointed or authorised.

## Voraussetzungen

- You must already have a state professional license (approbation) as a dentist valid in Germany or a professional license.
- You must prove the equivalence of your professional qualification as a specialist dentist.

## Kosten

There are no fees.

## Verfahrensablauf

Before you apply, you must already have a license to practice dentistry or a professional license in Germany.

You apply for recognition of your continuing education title as a specialist dentist at the competent State Chamber of Dentists:

- First, submit your application and the required documents to the dental association of the federal state in which you want to work.
- If necessary, you will be asked to provide missing documents.
- The competent authority will check whether your professional qualification is equivalent. The professional qualification is equivalent if there are no significant differences between your foreign professional qualification and the German professional qualification.
- If your qualification as a specialist dentist is recognised, you can work in the profession in Germany. You will receive a notification.

If significant differences are found, the equivalence of your specialist dentist qualification will not be certified:

- You will receive a justification.
- You can make a compensatory measure to prove the

lack of knowledge.

- If you successfully complete the compensatory measure, you will receive the recognition. You may then use the title "specialist dentist" for your specialisation.

You can take legal action against the decision of the competent authority within a certain period of time (for example, file an objection). The decision will then be reviewed. Details can be found in the information on the right of appeal at the end of your decision. It is best to talk to the competent authority first before taking legal action against the decision.

**Bearbeitungsdauer**

3 Monat(e)

You will receive the acknowledgement of receipt within one month of submitting the application. The competent authority will inform you if documents are missing. A decision on your application will be made no later than 3 months after receipt of your complete documents. The deadline may be extended by one month.

**Frist**

There is no deadline.
