Teaser	You can apply for funding for children who show language deficits.
Volltext	The state program "Language support for children of kindergarten age" is intended to support children of kindergarten age with special language support needs. Measures eligible for funding under this program include language support for these children in daycare facilities or, in exceptional cases, in other facilities, as well as further training for the professionals who provide this special language support. Public, non-profit and other suitable providers of daycare facilities for children and, exceptionally, providers of other services for children as well as public and non-profit training providers are eligible to apply. Further information can be found on the homepage of the Darmstadt Regional Council.
Erforderliche Unterlagen	• Public, non-profit and other suitable providers of daycare facilities for children and, exceptionally, providers of other services for children as well as public and non-profit training providers are eligible to apply. • Online application (see technical and funding principles) • Proof of use (see technical and funding principles) • Factual report (see technical and funding principles) • Further documents depending on the application (see technical and funding principles)
