Verfahrensablauf	• The application for acceptance or repetition of the theoretical examination is submitted. • The documents are checked for correctness and completeness. • Prior registration for the theoretical examination using the form Recommendation for taking the theoretical examination via the ATO/DTO is required. Registration must be received by the Darmstadt Regional Council no later than two days before the desired examination date. • If the overall examination is to be split over two or more dates, only the subjects that are to be written on the first day of the examination must be indicated on the form. For the second date, a further registration using the form is then required. In the case of repeat examinations (one or more subject areas not passed), an informal registration by the student by e-mail is sufficient. • The costs are to be paid in cash or by EC card on the day of the examination before the examination as part of the admission procedure. • The examination is carried out. • Immediately afterwards, the person taking the test will receive a certificate confirming that they have passed or (partially) failed the test. • The entire examination or parts of it can be repeated.
