Teaser	If you dismiss responsible persons in your mining operation, you must notify the competent mining authority.
Volltext	<p>In mining operations, the responsibilities with regard to safety and order in mining must be clearly regulated. In addition to you as the employer and your representatives, so-called "responsible persons" also ensure that operations run smoothly.</p> <p>Responsible persons are supervisors who have been appointed to manage or supervise the company or part of the company. Responsible persons ensure, for example, the health and safety of employees or monitor the disposal of mining waste. If no responsible persons are appointed, you as the employer are directly responsible.</p> <p>If you dismiss responsible persons in your company, you must inform the competent mining authority.</p>
Erforderliche Unterlagen	Proof of dismissal of the responsible person
Voraussetzungen	<ul style="list-style-type: none"> • The person responsible may only employ persons who have the necessary reliability, expertise and physical aptitude to perform their duties and powers. • Even after the dismissal of the responsible person, you must employ as many responsible persons in the company as is necessary for the planned and safe management of your company. • You must clearly and completely define and coordinate the tasks and powers of the responsible persons, even after their dismissal, so that orderly cooperation is guaranteed.

Sachverhalt

representatives, so-called "responsible persons" ensure that operations run smoothly

- Responsible persons within the meaning of mining law are supervisors who have been appointed to manage or supervise the operation or part of the operation
- If, in individual cases, a person has been provisionally dismissed verbally, the employer must confirm this in writing to the person appointed.
- Dismissal of responsible persons in the company must be reported to the competent authority without delay
- Notification can be submitted via the "BergPass" online portal or directly to the competent mountain authority
- Responsible: Mining authority of the federal state in which the mining operation is located
