Teaser	In addition to the registered office, which is the center of operations and corresponds to the location of the main office, inspection experts and authorized inspectors for structural stability can apply to the recognition authority for secondary offices.
Volltext	<p>The application for approval to set up a second branch as an authorized inspector or inspection expert for structural stability in accordance with Section 5 (4) of the Hessian Ordinance on Authorized Inspectors and Inspection Experts (HPPVO) relates to the authorization to work in Hesse as an authorized inspector or inspection expert for the structural stability of buildings. Here are some key elements that are usually included in such an application:</p> <p>The authorization to establish a secondary establishment as an authorized inspector or inspection expert for structural stability is usually granted or denied by the competent authorities based on the information submitted and the fulfillment of the legal requirements.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> Names of permanent employees who are currently employed at the registered office to assist with the testing of stability certificates and building inspections

Modul
Sachverhalt
