Fachlich freigegeben durch	Hessian Ministry for the Environment, Climate Protection, Agriculture and Consumer Protection (HMUKLV), Department VI, Division 3
Handlungsgrundlage	https://www.rv.hessenrecht.hessen.de/bshe/document/jlr-FischGHE2022pP1 https://www.rv.hessenrecht.hessen.de/bshe/document/jlr-FischGHE2022pP35 https://www.rv.hessenrecht.hessen.de/bshe/document/jlr-FischGHE2022pP1 https://www.rv.hessenrecht.hessen.de/bshe/document/jlr-FischGHE2022pP35
Teaser	If you are planning measures for the benefit of the Hessian fishing industry, you can apply for financial support in advance.
Volltext	As an individual or organization, you can apply for financial support for certain measures in the area of fisheries. The overriding aim of these measures is to preserve biodiversity in and around bodies of water and to preserve and restore natural habitats on rivers and ponds. • Measures to protect fish and fish species, including the ecological improvement of species composition and water body structure • the reintroduction of fish • further and advanced training and research in the field of fisheries • conservation associations to enable them to fulfill their statutory duties • the renovation and new construction of angling facilities • Eligible applicants are • Holders of a Hessian fishing right • fishing cooperatives • Angling and fishing clubs • Fishing leaseholders and leaseholder associations • Hessian fishing associations • Hegegemeinschaften according to § 27 HFischG • Other bodies under public or private law that promote fishing through their special focus
Erforderliche Unterlagen	If you apply for funding in writing: • Application form

Modul	Sachverhalt
	• Cost and financing plan application form • Different attachments depending on the subject of the funding Note: You can find the forms on the website of the regional council responsible for you. If you apply for funding online:
Voraussetzungen	• You must be an eligible individual or organization • You must apply for funding before the measure begins
Kosten	There are no costs.
Verfahrensablauf	You can apply for fisheries funding in writing or online to the regional council responsible for you before the measure begins. If you wish to apply for funding in writing: • Download the application forms "Mantelbogen" and "Kosten- und Finanzierungsplan" and, depending on the subject of the funding, other forms from the website of the regional council responsible for you • Complete the applications and any other forms, sign them and send them to the regional council responsible for you • If requested by the licensing authority, you must provide further suitable documentation to support the information provided • Please note the validity of the de minimis rule • The regional council responsible for you will check your documents and approved grants will be paid out If you want to apply for funding online: Call up the online application (see "Online services") and follow the steps indicated
Bearbeitungsdauer	2 - 4 Woche(n) Applications will be processed in the new year once the budget has been approved (from February).
Frist	There are no deadlines. Applications can be submitted throughout the year.
