Volltext	<p>Under certain conditions, severely disabled people are allowed to park in places where this is usually not allowed. Authorized persons can also use the parking facilities as a passenger, a separate driving license is not required. Proof of eligibility is the parking permit in connection with the written exemption, which explains and limits the individual exceptions. Note: The parking permit must be clearly visible behind the windscreen of the parked car, the exemption must always be carried.</p> <p>"Blue parking card" (EU-wide) The "Parking permit for severely disabled persons with exceptional walking disabilities, blind and severely disabled persons with bilateral amelia or phocomelia or with comparable functional limitations" on a blue background is issued as a European parking card. It entitles the holder to park in parking spaces for severely disabled persons (wheelchair user symbol) in all EU Member States and enables further facilitations such as:</p> <ul style="list-style-type: none"> • up to 3 hours parking with limited stopping ban (signs 286, 290 StVO) • under certain conditions, parking in traffic-calmed areas • up to 3 hours parking in residents' parking lots <p>"Orange parking permit" (nationwide) With the orange "parking permit for special groups of severely disabled people", parking facilitations such as the above examples also apply nationwide.</p> <p>Attention: This pass does not entitle you to park in disabled parking spaces (wheelchair user symbol)</p>
