card driving licence depends on the circumstances of each individual case. The production of the new card driving licence is carried out centrally by Bundesdruckerei GmbH in Berlin. In order to obtain the new driving licence, you can request that the card driving licence be sent to you. Direct shipping is carried out by Bundesdruckerei GmbH. Or you can have the issued card driving licence picked up in person or - upon presentation of a power of attorney - by a representative at the driving licence authority. It is also possible to apply for the driver's license by express delivery. The new driver's license will then be available at the driving license authority after about a few days.

**Frist**

There are no deadlines to be observed.

**Hinweise**

It is not mandatory to issue a new driving licence in the event of a change of name. Nevertheless, in such a case, it is recommended to obtain a new driving licence.

Anyone who does not immediately report the loss of a driving licence and applies for a replacement document commits an administrative offence.

In the event of loss of the driving licence, the applicant shall, if necessary, at the request of the administrative authority, make an affidavit on oath instead of the whereabouts of the licence.
