Teaser

Volltext

In order to alleviate extraordinary emergencies as a result of non-insurable damage of more than 5,000.00 euros, caused by natural events (for example, extreme weather conditions, earthquakes, subsidence, landslides, forest fires, floods), which the persons concerned can remedy neither by their own efforts nor by objectively required self-provision, state financial assistance for damage to buildings and household contents in the case of private property, on agricultural, horticultural and commercial holdings.

Erforderliche Unterlagen

The documents required to verify the financial circumstances (e.g. income tax assessments, pension notices, credit agreements and other documents) are required. They shall be attached to the application.

Bearbeitungsdauer

Frist

The application must be submitted within one month (cut-off period) after notification of the financial assistance action by the competent regional council. The Regional Council must decide beforehand - within one week - on an application to be submitted within one week after the damage event by the district committee or the magistrate - in agreement with the Hessian Ministry of the Interior and for Sport - whether
