Teaser	If you want to transport waste, you must notify the competent authority before starting the activity.
Volltext	Anyone wishing to transport waste must notify the competent authority before commencing the activity. A permit is required for the transport of hazardous waste. The transport permit requirement also applies to international shipments of waste and is therefore also aimed at carriers (including foreign ones) in cross-border traffic.
Erforderliche Unterlagen	
Voraussetzungen	
Kosten	The electronic submission of advertisements via the web portal is free of charge. Due to the higher administrative burden, a fee of EUR 50 must be charged for the submission of the notification in paper form. This also applies to any changes to the display. For the • Initial issuance of a permit • issuance of a new permit in the event of a change in essential circumstances, and • Examination in case of change of insignificant circumstances Fees apply according to time spent.

Sachverhalt

Verfahrensablauf

You can apply for the permit in writing using the form or electronically from the competent authority. A qualified electronic signature is not required here.

You can submit the notification using the form provided for this purpose or electronically via the portal of the competent authority.

The environmental departments of the regional councils check and issue transport permits for companies that have their headquarters in the respective service district.

Companies that do not have a head office or branch in Germany can obtain a transport permit centrally throughout Hesse from the Department of Occupational Safety and Environment of the Darmstadt Regional Council.

Bearbeitungsdauer

Frist

You must notify the transport of waste before commencing the activity.
