Teaser	If you, as the operator of a food business, carry out activities related to the production, processing, storage and distribution of food, you must register with your local food monitoring authority.
Volltext	<p>Under European law, food business operators are obliged to register if they are not yet registered with the competent authority. Registration takes place with the competent food monitoring authorities of the districts and independent cities.</p> <p>In addition to registration prior to commencement of activities, the following significant changes must also be reported.</p> <ul style="list-style-type: none"> • the closure of the business or • change in the personal or address details of the food business operator, • Change of name or address of business premises • Change in the type of business / activity • Expansion of the product range <p>The notification should be submitted within one month of the change occurring.</p> <p>This applies to every establishment managed or operated by you. All businesses that produce, process,</p>

Modul

Sachverhalt

store or distribute food directly or via the internet are subject to registration, regardless of whether they are profit-oriented or not.

Food businesses are for example (list is not exhaustive):

- restaurants, snack bars, kiosks
- artisanal and industrial producers (e.g. bakers, confectioners, butchers)
- Agricultural businesses and winegrowers
- Businesses that only sell food as an incidental part of their product range, such as petrol stations, pharmacies, drugstores and fitness studios that sell food, nutritional supplements or dietary foods as part of their product range
- Businesses that distribute food free of charge, such as food banks
- Businesses that act purely as brokers
- Schools, kindergartens, retirement homes, clubhouses that regularly provide food (refectory, canteen)
- Entrepreneurs who offer food on the Internet. It does not matter whether they sell the food on their own homepage, via other suppliers or on marketplaces such as eBay or Amazon.
- Supermarkets, mini-markets
- Operators of food vending machines
- Producers of food of animal origin
- Fishing, crustacean, shellfish and mollusc businesses
- Wholesalers, transporters, importers and exporters of foodstuffs
- Mobile food trade including sales vehicles
- Primary producers of plant-based foods, such as fruit, vegetables, cereals and herbs
- Party service and catering

Erforderliche Unterlagen

- Name and address of the business premises and, if applicable, other business premises, the legal form
- Personal and contact details of the responsible food business operator
- Type of business / activity
- Information on the product range (product groups) and scope

Modul	Sachverhalt
