Sachverhalt

examination at the earliest at the end of the fourth semester of the dental degree course after passing the second section of the dental examination.

Erforderliche Unterlagen

1 The application for admission to the first section of the dental examination must be accompanied by the following documents in the original or as a certified copy:

- Proof of identity
- Proof of higher education entrance qualification and, in the case of certificates obtained abroad, also the notice of recognition from the competent authority under state law
- transcript of records or the documents that replace the transcript of records at the respective university as proof of study periods. You can submit this proof within a period specified by the office responsible for you if you are not yet able to attach it to the application
- The certificates according to the model in Annex 5 to the ZApprO (licensing regulations for dentists) or a summary certificate according to the model in Annex 6 to the ZApprO on regular and successful participation in the courses prescribed in Annex 1 to the ZApprO. If you are unable to submit this certificate with your application, you can submit it at a later date within a period specified by the competent authority.
- Proof of training in first aid, which must not be older than three years at the time of application
- Certificate of nursing service

2. the application for admission to the second section of the dental examination must be accompanied by the following documents in the original or as a certified copy:

- Proof of identity
- The transcript of records or the documents that take the place of the transcript of records at the respective university. You can submit this proof at a later date within a period specified by the office responsible for you if you are not yet able to attach it to the application.
- The certificates according to the model in Annex 5 to the ZApprO or a summary certificate according to the
