Teaser	If you are a person in a healthcare profession who is not organized in a chamber and would like to have your electronic healthcare professional card (eHBA) blocked, you must contact your trust service provider.
Volltext	The electronic health professional card (eHBA) enables people in the health professions to access the telematics infrastructure (TI). The telematics infrastructure networks all participants in the healthcare system and will thus enable access to the electronic patient file (ePA) in the future, for example. You can only block your eHBA with the trust service provider from whom you received the card. Please use the application/customer portal of your trust service provider on their website to block the card.
Erforderliche Unterlagen	none
