Modul

Sachverhalt

Teacher Training assigned to you and the training school also assigned to you.

The preparatory service is usually completed in 18 months and ends with the passing of the 2nd state examination for the teaching profession of your teacher training course.

Under certain conditions, it is also possible to complete the preparatory service part-time.

Erforderliche Unterlagen

In order to be admitted to the preparatory service for a teaching profession in NRW, you must submit an application for admission via the internet platform www.sevon.nrw.de.

Voraussetzungen

Master of Education according to the Teacher Training Act of 2009 (LABG) with one of the following teaching degrees:

- Master of Education for the

- Teaching at elementary school
- Teaching degree for Hauptschulen, Realschulen, secondary schools and comprehensive schools
- Teaching degree for grammar schools and comprehensive schools
- Teaching degree for vocational colleges
- Teaching degree for special educational support

Recognition of teaching-related university degrees obtained in other federal states also leads to these teaching qualifications.

North Rhine-Westphalia also offers participation in the preparatory service for the expiring teaching degrees listed below:

First state examination for the

- Teaching qualification for primary, lower secondary and intermediate secondary schools and the corresponding year groups of comprehensive schools
- Teaching degree at grammar schools and comprehensive schools

Modul
Sachverhalt

- Teaching profession at vocational colleges
- Teaching degree for special education

Applicants who have completed a Bachelor's/Master's degree course at the "model universities" of Bielefeld, Bochum, Dortmund, Münster and Wuppertal after the expiry of the model experiment "Staged degree courses in teacher training" will also receive a certificate of the First State Examination for the above-mentioned teaching qualifications from the State Examination Office for Teaching Qualifications at Schools.

Students who have completed or will complete their studies with one of the old teaching qualifications listed below will start the preparatory service for this teaching qualification for reasons of training law and take the second state examination for this teaching qualification:

- Teaching profession for the primary level
- Teaching degree for lower secondary level
- Teaching degree for secondary level II
- Teacher training for special education

Kosten

none

Verfahrensablauf

After successfully completing your teacher training course, you must complete a preparatory service in order to qualify as a school teacher in North Rhine-Westphalia.

Information on the application procedure for the preparatory service can be found at www.sevon.nrw.de.

After a successful application, you will be appointed as a civil servant on revocation.

The training takes place at the Center for Practical Teacher Training assigned to you and the training school also assigned to you.

The preparatory service is usually completed in 18 months and ends with the passing of the 2nd state

	examination for the teaching profession of your teacher training course.
Bearbeitungsdauer	
Frist	The regular recruitment date is May 1st of each year. Applications must always be submitted to the district government responsible for you by November 15 of the previous year. If November 15 falls on a Saturday, Sunday or public holiday, it is replaced by the next working day. Since 2007, North Rhine-Westphalia has also introduced a second annual deadline in the fall. A new decision is made each year on the establishment of this additional date. The additional hiring date is November 1st of each year. Current information and advance announcements on the respective application procedures are published on the application portal at www.sevon.nrw.de .
