Teaser	Here you can find out how pupils can apply for admission to a vocational college.
Volltext	The following is intended to provide you with an overview of vocational colleges in North Rhine-Westphalia: The vocational college courses are divided into subject areas, occupational fields, specializations and specialist areas. The lessons in the individual courses are divided into • a vocational learning area, which serves in particular to provide vocational and technical qualifications. • an inter-occupational learning area, which complements the vocational qualification and contributes to the development of social, cultural, ethical and religious skills. Sport serves to promote health. • a differentiation area, which enables learners to supplement, expand and deepen their individual knowledge, skills and abilities accordingly.
