Teaser	As part of your self-determination under data protection law, you can, under certain conditions, demand that bodies that process your personal data must delete your data completely.
Volltext	<p>As a citizen of the European Union (EU), you can request that any body that collects and processes personal data about you deletes your data completely. However, this is subject to certain conditions.</p> <p>Irrespective of this, such a body must delete your personal data even without your request if it no longer needs the data for the respective purpose.</p> <p>Personal data includes, for example</p> <ul style="list-style-type: none"> • Online data, such as IP address, location data, e-mail address • Bank data, such as account balances, account numbers • Identification numbers, such as identity card number or social security number • Land register entries • Health information, such as genetic data, medical data • certificates • General personal data, such as name, address, age, marital status

Modul

Sachverhalt

- Physical characteristics, such as gender, skin, hair or eye color, height

You can assert the right to erasure against public and non-public bodies. Public bodies are, for example, authorities, non-public bodies are, for example, commercial enterprises, associations or clubs.

You must request the erasure of your personal data directly from the responsible public or non-public body.

If you wish to submit a written request by post or require general information, please contact the relevant authority with your questions. The contact details of the relevant authority can be found in the list of authorities on the "service.bund.de - Service Online" portal.

Erforderliche Unterlagen

- Copy of your identity card or
- Copy of your passport in connection with the copy of your registration certificate

Voraussetzungen

In order for you to have your personal data erased

- the body from which you request erasure must have collected or processed personal data about you
- it is personal data that relates to you personally,
- the data must be personal data, is no longer necessary for the body processing it, which have been processed unlawfully, for the processing of which you have withdrawn your consent in the meantime and there is no other legal basis for the processing to the processing of which you have objected, which must be deleted due to special legal provisions.

Your personal data cannot be erased if it is processed

- for exercising the right of freedom of expression and information,
- in order to assert other legal claims,
- for the performance of a legitimate public task or if the processing is in the public interest,
- for research, scientific or statistical purposes and their erasure would render this impossible or at least
