Teaser	You have applied for a permit for a plant requiring a permit? Then you can also apply to start construction of the plant ahead of schedule.
Volltext	You have applied for the approval of a plant requiring a permit? Then you can also apply to the competent authority to start construction of the plant ahead of schedule. The competent authority can revoke the approval at any time. In addition, the approval may be subject to conditions or granted conditionally if you still have to meet certain requirements. The conditions are intended to ensure that the plant can be dismantled if it is not approved. For this purpose, the competent authority may require a security from you. Collateral can be, for example, the deposit of money or securities as well as guarantees.
Erforderliche Unterlagen	• Application for early construction of a facility requiring a permit • required drawings, plans, expert opinions • explanations of the plant • other documents (if necessary, ask the competent authority)
Voraussetzungen	• From the application and the required documents, the competent body must be able to sufficiently assess the impact of the planned installation. • Your application must show a justified interest in the

Modul	Sachverhalt
	premature start. • As the applicant, you must undertake to compensate for all damage caused by the premature construction up to the time of the decision and, if the project is not approved, to restore it to its previous condition.
Kosten	
Verfahrensablauf	
Bearbeitungsdauer	3 - 6 Monat(e) The approval procedure is part of the licensing procedure.
Frist	You must submit the application before you begin construction of the facility.
weiterführende Informationen	
Hinweise	If you wish to have significant changes to a facility requiring a permit approved, the competent body may also provisionally permit the operation of the facility if the change serves to ensure the lawful construction or operation of the facility.
Rechtsbehelf	• Appeal • For more information on how to file an appeal, see the notice. • Complaint
Kurztext	• Premature construction of a plant requiring a permit in accordance with BImSchG Permit • In an ongoing procedure for the granting of a permit, the approval authority may, upon application, provisionally allow construction to begin, including the measures required to test the operational reliability of the plant. • responsible: the authority responsible for you
