Sachverhalt

With the effective declaration of resignation, all rights and obligations based on your personal affiliation to the church, religious or ideological community cease to apply under state law. The obligation to pay church tax ends at the end of the month in which the declaration of withdrawal from the church becomes effective.

Please note in this context: The cessation of rights and obligations (in particular the obligation to pay church tax) only depends on the date on which your declaration becomes effective, not the date on which the certificate is issued. The certificate only serves as proof of your resignation.

Erforderliche Unterlagen

You do not need to submit any further documents for the certificate of withdrawal.

A valid identity card must be presented for the declaration of resignation (for details, see the information in the text on leaving the church).

Voraussetzungen

- You must declare your resignation to the local court verbally or in writing by notarization (for details, see the notes in the text on leaving the church).
- You must provide the necessary personal details (surname, first name, date and day of birth, place of residence, marital status). The church or other religious or ideological community from which you wish to leave must be specified.
- You must have paid the fee.
- After submitting the declaration of withdrawal verbally or in writing, the local court must issue you with a certificate of withdrawal without delay.

Kosten

There is no fee for the certificate itself. The fee for leaving the church is EUR 30.00. In the case of notarization of the declaration of resignation (written declaration of resignation), additional fees may apply for the notary.

Verfahrensablauf

- You declare your withdrawal from the church at the local court responsible for your place of residence (for details, see the information in the text on leaving the church).
