Sachverhalt

The associations promote uniform production and quality rules.

Recognized associations of producer groups can receive state funding under certain conditions. Funding is granted, for example, for good marketing, effective sales strategies for quality agricultural and food products or investments to improve processing and marketing.

Erforderliche Unterlagen

In order to have an agricultural producer group recognized as an association, the following is required

- a certified copy of the association's articles of association,
- a certified extract from the register or a certified copy of the founding resolution,
- a list of members with their names and addresses, and
- the common production and quality rules drawn up by the association.

The State Office for Nature, Environment and Consumer Protection of North Rhine-Westphalia requires further documents in individual cases. Please find out which documents you need to submit before submitting your application.

Voraussetzungen

The statutes of the association of producer groups must contain provisions to the effect that

- that the members can only be recognized producer groups that produce the same product or the same group of related products,
- that it provides advice to the producer groups to which it belongs,
- that it establishes production and quality rules that apply to all members.
- No specific legal form is prescribed for the formation of associations.
- The association may not exclude competition on the market.
