Teaser	If you wish to handle or traffic in explosive substances, you require a certificate of competence.
Volltext	<p>As a responsible person, you may only handle or traffic with explosive substances if you have an official certificate of competence for handling and/or traffic with explosive substances in accordance with the Explosives Act.</p> <p>Responsible persons or supervisors include, in particular, plant managers, authorized blasters, plant foremen, technical supervisory personnel in explosive ordnance disposal and warehouse managers as well as persons who are appointed to transport explosive substances, to transfer them to others or to receive these substances from others.</p> <p>Only natural persons may apply for a certificate of competence for the handling and/or transportation of explosive substances.</p> <p>As an applicant, you will generally receive a certificate of competence for the handling and/or transportation of explosive substances in accordance with the Explosives Act if you are</p>

Modul

Sachverhalt

- reliable
- competent and
- are personally suitable,
- and have reached the age of 21.

You must have completed a state-recognized specialist training course. However, only persons who can present a clearance certificate may take part in such a course.

The certificate of competence for handling and/or dealing with explosive substances in accordance with the Explosives Act is only issued on application. It can be restricted in terms of content, limited in time and, even retrospectively, subject to conditions.

Erforderliche Unterlagen

- completed application form
- Valid identity card or passport
- Required proof of professional qualifications
- For foreign nationals: Certificate of good repute in a certified translation from the competent judicial or administrative authority in your home country or country of origin (e.g. extract from the criminal record). The certificate should not be older than three months. Otherwise, only facts that have been confirmed by the competent authority in your home country or country of origin may be considered as evidence.

Voraussetzungen

As an applicant, you will receive a certificate of competence for handling and/or dealing with explosive substances in accordance with the Explosives Act if you are

- a natural person,
- reliable,
- competent and
- are personally suitable and
- have reached the age of 21

Kosten

The costs are based on the respective administrative fee schedule of the state or on the fee statutes of the authorities responsible under state law. State-wide framework fee: General administrative fee schedule NRW 11.11 Explosives law 11.11.9 Issue of a certificate

Sachverhalt

of competence in accordance with § 20 Paragraph 1 SprengG Fee: Euro 55 to 110 If no current background check is available, plus the fee according to 11.11.3 11.11.9.1 Significant change to a certificate of competence in accordance with § 20 Paragraph 1 SprengG Fee: Euro 55 to 110 11.11.9.2 Extension of the period of validity of a certificate of competence according to § 20 paragraph 1 SprengG Fee: Euro 55 If there is no current background check, plus the fee according to 11.11.3

Verfahrensablauf

You can submit the application in writing or electronically.

Once you have submitted the application and all documents are complete, the competent authority will check whether all requirements for the issue of a certificate of competence in accordance with Section 20 SprengG have been met.

If all documents are complete, you will receive the requested certificate of competence.

Bearbeitungsdauer

If the documents are complete, your application will be processed promptly.

Frist

The certificate of competence is generally issued for a period of five years. For an extension of the certificate of competence, a refresher course on specialist knowledge may have to be taken if the applicant continues to be reliable. The application must be submitted in good time, at least 8-10 weeks before the intended commencement of an activity covered by the SprengG. The clearance certificate must not be older than one year.

weiterführende Informationen

Hinweise

The certificate of competence entitles the holder to work for a company with a permit in accordance with Section 7 of the Explosives Act.

If the qualified person wishes to work independently, an application for a permit in accordance with Section 7 of the Explosives Act must be submitted.
