Teaser	If your health has been damaged by certain events, you can be treated in a trauma outpatient clinic. The damage to your health may be the result of an act of violence. You can find out more here.
Volltext	Trauma outpatient clinics offer victims of physical, psychological and sexual violence in particular quick and early counseling as well as psychological help to help them cope with the consequences of the crime. As a victim, as well as relatives, survivors and loved ones, you are entitled to a total of up to 15 sessions in the trauma outpatient clinic, provided the requirements are met. The maximum entitlement for children and adolescents is 18 sessions. You can also take advantage of the first sessions without a decision by the authorities, but you must submit the short application after the second session at the latest. Please note that your regional association (LVR or LWL) will decide whether and to what extent you will receive support.
Erforderliche Unterlagen	If necessary, you must provide evidence: • Details of the damaging event
Voraussetzungen	• You have suffered a health impairment in Germany or, under certain conditions, abroad (§ 15 SGB XIV) due to a damaging event. • The health impairment has resulted in physical, psychological, mental or sensory impairments. • If you are a relative, surviving dependant or close
