Teaser	Would you like to defuse a road hazard? Then you can suggest the installation of a new traffic sign.
Volltext	Traffic on public roads is regulated by traffic signs and traffic facilities for reasons of safety and order, climate and environmental protection, health and urban development. Traffic signs include, for example • Traffic signs • road markings • traffic lights Traffic facilities are, for example • red and white striped barriers • Bollards and barrier railings • parking ticket machines Your road traffic authority decides where traffic signs and traffic facilities are to be installed. If you as a citizen notice a place where you think a traffic sign should be placed, you can suggest it. This could be, for example: • defusing danger spots and accident blackspots • a new pedestrian traffic light • more clarity in traffic routing • Protection of children in front of daycare centers and
